Notes

1. In view of the seasonal nature of company's sugar business, the performance results may vary from quarter to quarter.
2. The Company has adopted Indian Accounting Standards ("Ind AS") from April 1, 2016 (transition date being April 1, 2015) and accordingly, these financial results have been prepared in accordance with Companies (Indian Accounting Standard) Rules, 2015 as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
3. Exceptional items during the current year pertain to write-off of incentives recoverable from the State Government of Uttar Pradesh (UP) under the U.P. Sugar Industry Promotion Policy 2004 (net of deferred Government Grant). The Company had challenged the premature termination of the Policy and non-grant of incentives before the Allahabad High Court. The prescribed period of 10 years for incentives under the policy has expired and in view of continued uncertainty and protracted litigation, the Company, as a prudent measure, has decided to write off such recoverable claims without prejudice to its legal rights to pursue the matter.
4. The figures for the last quarter are the balancing figures between the audited figures in respect of the full financial year and published year to date figures upto the third quarter of the financial year.
5. The adoption of Ind AS has necessitated changes in the accounting, recognition and measurement criteria of various assets, liabilities and items of income and expenditure. The reconciliation of financial results, for the quarter and year ended March 31, 2016, as reported under previous GAAP with those restated as per Ind AS, is as under:

Notes

1. In view of the seasonal nature of company's sugar business, the performance results may vary from quarter to quarter.
2. The Company has adopted Indian Accounting Standards ("Ind AS") from April 1, 2016 (transition date being April 1, 2015) and accordingly, these financial results have been prepared in accordance with Companies (Indian Accounting Standard) Rules, 2015 as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and the other accounting principles generally accepted in India.
3. Exceptional items during the current year pertain to write-off of incentives recoverable from the State Government of Uttar Pradesh (UP) under the U.P. Sugar Industry Promotion Policy 2004 (net of deferred Government Grant). The Company had challenged the premature termination of the Policy and non-grant of incentives before the Allahabad High Court. The prescribed period of 10 years for incentives under the policy has expired and in view of continued uncertainty and protracted litigation, the Company, as a prudent measure, has decided to write off such recoverable claims without prejudice to its legal rights to pursue the matter.
4. The figures for the last quarter are the balancing figures between the audited figures in respect of the full financial year and published year to date figures upto the third quarter of the financial year.
5. The adoption of Ind AS has necessitated changes in the accounting, recognition and measurement criteria of various assets, liabilities and items of income and expenditure. The reconciliation of financial results, for the quarter and year ended March 31, 2016, as reported under previous GAAP with those restated as per Ind AS, is as under:
