The Board of Directors of the Transferor Company are of the view that the transfer and vesting of the Sugar Undertaking into the Transferee Company and demerger of the Demerged Undertaking into the Resulting Company, is in the interest of all concerned including the shareholders, creditors and employees on account of the following reasons:

- 3.1 The Transferor Company is engaged in the businesses of manufacturing and refining of sugar, distillation of alcohol, generation of power, manufacturing of gear & gear box and providing water and waste water treatment/ management solutions. As part of an overall re-organization plan and in order to achieve greater efficiencies in its operations and with the intent of providing focus and greater attention to each of its businesses, it is considered desirable and expedient to transfer the Sugar Undertaking to the Transferee Company and Demerged Undertaking to the Resulting Company. This will result in separating Sugar Business and the Engineering Business and the transfer therefore will enable focused management orientation to each of the businesses due to individual specialization and leadership vision. Further vesting of the sugar business in the Transferee Company and Resulting Company will help in financially and administratively managing this large business in an efficient manner with proper focus and accountability.
- 3.2 Opportunities for creating strategic partnership and flexibility of fund raising capability for future growth and expansion and to create a business structure which is geared to take advantage of possible growth opportunities.
- 3.3 The businesses and activities of the respective companies will be carried on more economically, conveniently and advantageously under the proposed Scheme and the same will have beneficial results for the said companies, their shareholders, stakeholders and all concerned.
- 3.4 The Transferor Company, Transferee Company and the Resulting Company post transfer and vesting of the said businesses will have better financial, business and operational prospects including but not limited to efficient management of costs, better maintenance of the manufacturing facilities and improved administrative control on the said businesses.

2. Scope and Purpose of the Opinion

The Company has appointed M/s Bansi S. Mehta & Co, Chartered Accountant ('Valuer'), to recommend a fair and equitable share entitlement ratio for the proposed demerger, pursuant to which the Valuer has issued the Report which had recommended that the equity shareholders of TEIL will be entitled to receive 1 (One) equity shares of face value of Rs 1/- each of TIL against 1 (One) equity share of Rs. 1/- each fully paid up and held by the equity shareholders in TEIL at the record date ('Share Entitlement Ratio').

The management of TEIL has engaged M/s D & A Financial Services (P) Ltd to submit an opinion to the Board of Directors of TEIL on the fairness of the Share Entitlement Ratio (the 'Fairness Opinion') recommended by the Valuer. The scope of this Fairness Opinion includes commenting on the fairness of the Share Entitlement Ratio recommended by the Valuer.

The Fairness Opinion is addressed to the Board of Directors of TEIL. Further, this Fairness Opinion has been issued as per the requirements of SEBI circular no. CIR/CFD/DIL/5/2013 dated 4th February 2013 read with subsequent circular no CIR/CFD/DIL/8 /2013 dated 21st May 2013 ('SEBI Circulars').

The purpose of the opinion is to safeguard the interest of the shareholders and that of the companies involved in the Scheme and this opinion shall be made available to the shareholders of the relevant Companies at the time of their meeting to pass the necessary resolution for the Scheme and to any other relevant authority.

Disclaimer: We have assumed and relied upon, without independent verification, the accuracy and completeness of all information that was publicly available or provided or otherwise made available to us by management of TEIL for the purpose of this Opinion. We have not carried out

any independent verification of the accuracy and completeness of all information as stated above. We have not reviewed any other documents of the Company other than those stated herein. We have not assumed any obligation to conduct, nor have we carried out any independent physical inspection or title verification of the property, investments etc. interests of TEIL and accept no responsibility therefore.

We have not reviewed any internal management information statements or any non-public reports and instead with your consent we have relied upon information that was publicly available or provided or otherwise made available to us by TEIL for the purpose of this valuation. We are not experts in the evaluation of litigation or other actual or threatened claims.

3. Sources of Information

For arriving at the opinion set forth below, we have:

1. Perused the Draft Scheme
2. Valuation Report including Share entitlement ratio dated July 27, 2015 given by M/s Bansi S Mehta & Co., Chartered Accountant, having its office at Merchant Chambers, 3rd Floor, 41, New Marine Lines, Mumbai-400020

4. Approach followed for giving Fairness Opinion on Share Entitlement Ratio

The management of the TEIL proposed that upon the Scheme becoming effective, the shareholders of TEIL will receive 1 (One) equity share of Re 1/- each fully paid up to be issued by TIL, the Resulting Company, for every 1 (One) equity shares of Re 1/- each held in TEIL.

In determining the criteria for arriving at the fairness opinion on the Share Entitlement Ratio for the Scheme, the following approach has been adopted and taken in to consideration:

- Level of share capital in TIL having regard to its serviceability
- TIL is a wholly owned subsidiary of TEIL After demerger, TIL will have mirror shareholding of TEIL except for some nominal share capital being held by TEIL.
- The entitlement ratio does not result in the dilution of effective holding of any one or more shareholders of TEIL and the shareholders of TEIL, instead of holding shares in one company, will hold shares in both the companies, directly or indirectly.

5. Conclusion

Based on our examination of the draft of the Proposed Scheme of Arrangement and the Report of M/s Bansi S Mehta & Co., Chartered Accountant dated July 27, 2015, we are of the opinion that the proposed share entitlement ratio of issuance of 1 (One) equity shares of face value of Re 1/- each of TIL fully paid-up against 1 (One) equity share of Re. 1/- each fully paid up held by the shareholders in TEIL at the record date is fair in relation to the Proposed Scheme of Arrangement.

Thanking You
